 UIP presented to State Finance Committee at the Capital. All were pleased with the progress while meeting the objective that was expressed from the year prior. Under the State recommendation, they requested to have a lobbyist involved and the UIP followed through. The UIP has retained “The Vendervort Group, LLC” as its representative in lobbying. This is a huge investment which will open avenues of progression.

 The UIP Bowl-A-Thon will be held in October. The UIP will have a fundraiser Bowl-A-Thon for the kids and families at Arterial Lanes. Engaging the public and the kids is the goal while having some fun. If interested, in sponsoring or participating, please contact Kreig Heroth. There is a max limit of 96 participants.
